

IDENTIFICATION OF THE SUBSTANCE/MIXTURE AND OF THE COMPANY

- **Identification of the substance or preparation:** Magic Grip
- **Type of product and use:** Tyre Additive
- **Company identification:** FMF Trading IVS (Branded by PHUB RC INNOVATIONS)
- **Address and telephone Nr.:** Kongelyset 17, 4200 Slagelse, Denmark, +4528209414
- **E-mail contact address:** phubrc@gmail.com
- **Reference legislation:** This Safety Data Sheet is printed in English and complies with present European Union regulations. This document does not include information relevant to other countries.

Classification of the substance

Classification according to Regulation (EC) No 1272/2008

- **Classification of the product:** The product is not classified as dangerous according to the criteria set by the European Union.
- **GHS09 environment**
H410 Very toxic to aquatic life with long lasting effects.
- **GHS08 health hazard**
H304 May be fatal if swallowed and enters airways.
- **P331 Do NOT induce vomiting.**
- **P273 Avoid release to the environment.**
P391 Collect spillage.
- **P301+P310 IF SWALLOWED: Immediately call a POISON CENTER/doctor.**

Description of first aid measures

- **After eye contact:** *Rinse opened eye for several minutes under running water.*
- **General information:** *No special measures required.*
- **After inhalation:** *Supply fresh air; consult doctor in case of complaints.*
- **Most important symptoms and effects, both acute and delayed** *No further relevant information available.*
- **After skin contact:** *Generally, the product does not irritate the skin.*
- **After swallowing:** *If symptoms persist consult doctor.*
- **Indication of any immediate medical attention and special treatment needed**

No further relevant information available.

Firefighting measures

- **Suitable extinguishing:** Use fire extinguishing methods suitable to surrounding conditions.
- **Special hazards arising from the substance or mixture:** No further relevant information available.
- **Protective equipment:** No special measures required.

Chemical properties

- **Form:** Fluid
- **Odour:** Odourless
- **Colour:** Colourless
- **Flash point:** 220 °C
- **Ignition temperature:** 550 °C
- **Melting point/Melting range:** -22 °C
- **Boiling point/Boiling range:** 365 °C
- **Danger of explosion:** Product is not explosive

Stability/reactivity

- **Hazardous decomposition products:** No dangerous decomposition products are known.
- **Thermal decomposition:** No decomposition if used according to specifications.
- **Incompatible materials:** No further relevant information available.
- **Hazardous reactions:** No dangerous reactions known.
- **Conditions to avoid:** No further relevant information available.

Toxicological information

- **Eye irritation:** No irritating effect.
- **Respiratory or skin sensitization:** No sensitizing effects known.
- **Skin irritation:** No irritant effect.
- **Additional information:**
 - When used and handled according to specifications, the product doesn't have any harmful effects to our experience and the information provided to us.
The substance is not subject to classification according to the latest version of the EU lists.
